the annual japanese korean linguistics conference provides a forum for presenting research that will broaden the understanding of these two languages especially through comparative study the sixteenth japanese korean linguistics conference held in october of 2006 at kyoto university was the first in the history of the conference to be held outside of the united states the thirty six papers in this volume encompass a variety of areas such as phonetics phonology morphology syntax semantics pragmatics discourse analysis and the geographical and historical factors that influence the development of languages sociolinguistics and psycholinguistics book jacket

teaching in the trenches continues by jason changkyu kim owner and founder of purister publishing and outsourcing bad politics under trained teachers and an atmosphere of i just do not care how does out protagonist jason changkyu kim cope

and excel in one of the worst schools in south korea mirae industrial high school of science and technology all the education literature says at risk youth high rates of delinquency and poor academic performance which are two sides of different coins

this is a thoroughly revised edition of integrated korean beginning 2 the second volume of the best selling series developed collaboratively by leading classroom teachers and linguists of korean all the series volumes have been developed in accordance with performance based principles and methodology contextualization learner centeredness use of authentic materials usage orientedness balance between skill getting and skill using and integration of speaking listening reading writing and culture grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises each situation topic based lesson of the main texts consists of model dialogues narration new words and expressions vocabulary notes culture grammar usage and english translation of dialogues in response to comments from hundreds of students and instructors of the second edition this new third edition features an attractive color design with new photos and drawings and lesson and vocabulary exercises that have been fully reorganized each lesson contains a conversational text with its own vocabulary list and a reading passage the accompanying workbook available online as well as in paperback provides students with extensive skill using activities based on the skills learned in the main text integrated korean is a project of the korean language education and research center klear with the support of the korea foundation in addition to the five level integrated korean textbooks and workbooks volumes include korean composition korean language in culture and society korean reader for chinese characters readings in modern korean literature a resource for korean grammar instruction and selected readings in korean audio files for this volume may be downloaded in mp3 format at kleartextbook.com

this research topic focuses on heritage languages at the crossroads by approaching

heritage language bilingualism in an interdisciplinary way a language qualifies as a heritage language if it is a minority language spoken at home in a majority language context any language can be the societal majority language in one context and the heritage language in another while the number of empirical studies on language acquisition and processing in heritage language bilingualism has increased in recent years heritage language bilinguals are an understudied subgroup of bilinguals when examined as adults heritage speaker bilinguals tend to show significant differences in their heritage language performance use and competence grammatical knowledge from one another this variation is particularly unusual because heritage speakers like monolinguals are native speakers of the heritage language

volume 2 of inside major east asian library collections in north america presents an extensive collection of interviews that give key insights into chinese korean and asian american librarianship
